

NEW TO YOU VOLUNTEER FIRE SAFETY ORIENTATION

IN THE EVENT OF A FIRE....

Notify a manager, staff member or other volunteer immediately

Evacuate the building through the nearest exit assisting others on the way who may require assistance.

Promptly assemble at the designated meeting spot** and wait for further instructions from management/staff

***** Meeting Spot, North Side (Volunteer Parking area) far corner of the parking lot, beside the utility hut ***

DO NOT ATTEMPT TO GO BACK INTO THE BUILDING

EXTINGUISHING FIRES

Only use a fire extinguisher if you have been instructed on its proper use. Familiarize yourself with locations of pull stations and fire extinguishers.

A SAFE ENVIRONMENT....

...is everyone's responsibility

- ✓ Keep Emergency Exits and walk ways clear of obstructions.
- ✓ Know the sound of the Fire Alarm
- ✓ Report any unsafe conditions to the Manager or Team Leader
- ✓ Familiarize yourself with exits, fire extinguishers and meeting spot.

Managers and staff will take command in an emergency situation your cooperation is appreciated.

STAY CALM & CARRY ON

Good Judgment and Common Sense will prevail – Great people work here!!

Annual fire drills will be implemented and practiced to improve the plan as required.
