APPLICATION INFORMATION for Board Membership or Membership on a Committee

Please indicate your level of knowledge, skills, and experience for each of the following categories:

SKILLS MATRIX

The skills, experience and qualities of individual directors are important elements in governance and are considered in the nomination and election processes. Individual director skills refer to the area of expertise or knowledge that an individual director possesses. There are some skills that a board will always need: financial literacy, legal and governance expertise are typical requirements. Other skills may be required as a result of an issue unique to the organization. Please note that individual directors are not required to have experience in all skills listed.

3 Advanced – Highly competent and has expert experience in this area. Can guide others to apply the skill or knowledge.	2 Good – Significant experience and knowledge in this area. Understands the how, why and when but may need further exposure to ensure improvement and full/advanced competency.	1 Fair – Exposed to this skill and may require some training, development, or exposure to perform this skill routinely.	0 None - Insufficient knowledge, experience and exposure to this skill to bring this perspective forward.
